

# "CALIFORNIA CENSORED" NATIONAL PUBLIC SERVICE ANNOUNCEMENT

**ALERT!** Hear ye, hear ye Queens and Kings, my name is Ms. Tamra L. Dicus. I am a Black woman engineering alumna of Tuskegee University, Tuskegee, Alabama, former law student at Thomas Jefferson School of Law, San Diego, California, and author of Who is the Black Queen Calafia of Golden California?: The Real Wonder Woman. I am making this PSA on behalf of our unknown American history. I founded CALIFORNIA IS ME. But we need support both socially and legally to restore the Black Queen Calafia and her California all Black women warrior Amazons, now! Black history is American history.

**Educate:** Our race and history is in jeopardy, as we all know and see in current events. Our history and collective intellectual property has been and is currently being taken from Black Americans in the name of California by racist historians. A Black queen ruled, her name is Calafia and she is the namesake and arguably misrepresented in the Great Seal of the State of California as a white woman goddess. Freedom, intellectual and physical, is still a fight.
